— NEW — Event for Everyone: *Summer Social*

Join us for a fun afternoon party and a chance for all of us to get together outside after months in isolation! Enjoy this opportunity to visit, celebrate and participate in some fun “non-golf” activities – games, prize raffles, and even a few surprise guests. We have a spacious outdoor tent for dinner and extra shade during the day. We’re looking forward to seeing many new and familiar faces. Covid-19 protocols will be followed and don’t forget the sunscreen!

Registration for the Social is with the golf tournament registration.

Our Mission

The mission of the Second Chance for Life Foundation is to help individuals and their caregivers navigate the challenges that come with a heart transplant or heart implant (LVAD) at University of Minnesota medical facilities. Our goal is to help provide what is needed when it is needed whether it is for emotional, financial, or educational needs. Historically, SCFLF has supported patients with financial assistance for medical care, housing and transportation. We also provide education seminars focused on heart health and living with a heart transplant or LVAD.

SCFLF is an approved 501(c)(3) nonprofit foundation which makes your donation 100% tax deductible. \$40 of your registration fee is a charitable contribution.
